## ▶ STAGING RUGGIERI LIGHTING AND STAGING

The future of event production is here, featuring the Stageline SL250 Mobile Staging Solution.

- Trailer unit is 46'3" long x 8'2" wide x 13' High.
- Actual stage is 32'w X 24'd. (this area is totally covered with the roof)
- Expandable to 32'w x 32'd covered stage.
- Usable stage to roof height is 19' with a load bearing capacity of 12,000lbs.
- Additional covered and non-covered stage expandability available.
- Stage & roof is deployed hydraulically and can be totally erected and ready for technical load-in or function in less than 2 hours with only 2 CERTIFIED crewmembers.
- Wind gust resistance with wind walls 100 km/h (without wind walls 145 km/h).
- Upstage, stage left and stage right areas of this unit can be fitted with either see-through scrim or enclosed with vinyl wind walls.
- Comes with upstage safety rails and 1 adjustable stair unit (extras stairs available for additional charge).
- Safety rails can be installed around the entire perimeter of the stage when using the unit for VIP seating area, product launches or dining area with bar/food services.
- Wind walls can also be installed to enclose entire stage area for private events.
- We carry \$5,000,000.00 Liability Insurance for the SL250 and we will provide you with named insured certificates for your event as requested. (industry standard is only \$2million coverage).
- This unit is environmentally friendly as compared to other standard large-scale stage/roof systems as it does not require forklifts, heavy machinery or dozens of crew people damaging green spaces.
- The SL250 can also be lifted by crane for tight fit/no access areas if required.

## ▶ LIGHTING RUGGERI LIGHTING AND STAGING

For over 25 years we have been providing Stage Lighting and related products to the theatrical and entertainment industry. We represent the top manufacturers in the industry, and our broad range of clients includes theatres, schools, places of worship, casinos, nightclubs, TV studios and much more. Our experience shows in the balance between cost, speed, size and quality. From lighting and staging packages to designers, programmers, operators and technicians we can supply what's needed to keep your production rolling with peace of mind. Our attention to detail is second to none. Let our experienced staff assist you with bringing your ideas to life.

## ▶ PYROTECHNICS RUGGIERI FIREWORKS & SPECIAL EFFECTS

Ruggieri Fireworks & Special Effects is an award winning Pyrotechnic company that will bring your conventional fireworks show to a new level of excitement with our innovative design, technical expertise and creative effect combinations! These types of displays are what most people think of when you say fireworks!

We will custom design your display and electronically fire the show for the best possible flow. We will build the show from our large inventory of quality effects and produce a show that has the following: an outstanding opening tableau, proper flow of peaks and valleys throughout the body of the show, and an incredible finale that you and your audience anticipate. Ruggieri Fireworks & Special Effects also offer services for indoor pyrotechnic shows for rodeos, concerts, sporting and corporate events. It is our goal to give our clients the best possible show for the longest duration possible without compromising the effectiveness, flow and artistry of the display.
